YOUR TREE, YOUR WAY

LIVE CUT OR POTTED

WHETHER INDOORS OR OUTDOORS, WE OFFER A WIDE VARIETY OF CHRISTMAS TREE SIZES AND SPECIES TO SUIT EVERY SPACE. IF YOU NEED A PARTICULAR WIDTH, SHAPE, OR STYLE OF TREE, OUR TEAM WILL BE HAPPY TO SOURCE THE BEST OPTIONS AVAILABLE TO MEET YOUR REQUIREMENTS.

All of our live cut trees are grown as part of a managed arable crop, making them fully sustainable. Once the festive season is over, we also ensure that every tree is responsibly recycled, giving you peace of mind that your celebrations are as environmentally friendly as they are magical. **Following tree sizes available:**

6FT 7FT 8FT 10FT 12FT

Additional sizes are always available on request, giving you complete flexibility to find the perfect tree for your space.

For the ultimate environmentally friendly option, we also provide live trees that remain rooted and growing in pots. These beautiful trees can be enjoyed throughout the Christmas season and then placed outside afterwards, where they continue to thrive and grow. With a variety of sizes available, our potted trees are a sustainable choice that combines festive charm with long-term care for the environment.

FESTIVE EMBER

RED, GREEN & GOLD

Festive Ember theme embodies the timeless magic of Christmas, celebrating tradition with a luxurious touch. It radiates warmth, elegance, and cheer through its rich palette of red, green, and gold, classic Christmas colours that never go out of style and instantly spark a sense of joy.

Golden lights twinkle among shimmering red ornaments and lush green garlands, while refined gold accents glint like firelight, casting a welcoming glow. Every detail has been thoughtfully chosen to capture the spirit of the season, blending tradition with sparkle to create a display that feels both heartwarming and unforgettable.

The Festive Ember transforms any setting into a captivating winter wonderland, perfect for bringing colleagues, clients, and guests together to celebrate the joy of Christmas.

These Christmas trees are available in standard heights of **6FT, 7FT, 8FT, 10FT, and 12FT**, with additional sizes available on request (subject to a site survey).

While the colour scheme of each theme is fixed to preserve its signature look, please note that specific tree styles and decorations may vary slightly depending on stock availability.

Every tree comes complete with a natural hessian tree skirt as standard. Decorative presents to complement the display are also available at an additional cost, allowing you to elevate the festive impact even further.

COPPER CHARM

ROSE GOLD, BRONZE & SILVER

Copper Charm is a breathtaking Christmas theme that combines modern elegance with the inviting warmth of metallic tones. Its palette of rose gold, bronze, copper, and silver shimmers with sophistication, creating a look that feels both contemporary and timeless.

Soft, glowing lights dance across reflective metallic ornaments, casting a gentle radiance that fills the space with festive magic. The interplay of warm and cool tones adds depth and refinement, offering a modern twist on traditional Christmas décor.

Ideal for those who appreciate stylish, contemporary design, the Copper Charm theme transforms any environment into a luxurious celebration of warmth, beauty, and seasonal sparkle."

These Christmas trees are available in standard heights of **6FT, 7FT, 8FT, 10FT, and 12FT**, with additional sizes available on request (subject to a site survey).

While the colour scheme of each theme is fixed to preserve its signature look, please note that specific tree styles and decorations may vary slightly depending on stock availability.

Every tree comes complete with a natural hessian tree skirt as standard. Decorative presents to complement the display are also available at an additional cost, allowing you to elevate the festive impact even further.

ARCTIC WHISPER

WHITE & SILVER

Arctic Whisper is a serene and enchanting Christmas theme that captures the quiet beauty of a snowy winter's night. Its graceful palette of white and silver evokes the stillness of frost-covered landscapes, where every detail glistens with seasonal magic.

Delicate silver ornaments, shimmering snowflakes, and soft white accents combine to create a dreamy, winter-inspired display. Gentle white lights sparkle like freshly fallen snow, casting a calm, elegant glow that feels both timeless and contemporary.

Perfect for those who appreciate a minimalist aesthetic, the Arctic Whisper theme transforms any space into a refined winter wonderland, peaceful, sophisticated, and full of seasonal charm.

These Christmas trees are available in standard heights of **6FT, 7FT, 8FT, 10FT, and 12FT**, with additional sizes available on request (subject to a site survey).

While the colour scheme of each theme is fixed to preserve its signature look, please note that specific tree styles and decorations may vary slightly depending on stock availability.

Every tree comes complete with a natural hessian tree skirt as standard. Decorative presents to complement the display are also available at an additional cost, allowing you to elevate the festive impact even further.

POLAR NIGHT

BLUE & SILVER

Polar Night is a bold and captivating Christmas theme, inspired by the mystique of clear winter skies. Its striking blend of deep midnight blues and shimmering silvers evokes the beauty of a starlit Arctic evening, where the night sky sparkles with quiet magic.

Frosted accents and silver ornaments glisten like moonlight on fresh snow, while rich blue decorations add depth, drama, and a sense of wonder. The result is a theme that feels both modern and timeless, blending tranquility with enchantment.

Perfect for creating a truly magical winter atmosphere, Polar Night celebrates the season's majestic charm with sophistication and elegance.

These Christmas trees are available in standard heights of **6FT, 7FT, 8FT, 10FT, and 12FT**, with additional sizes available on request (subject to a site survey).

While the colour scheme of each theme is fixed to preserve its signature look, please note that specific tree styles and decorations may vary slightly depending on stock availability.

Every tree comes complete with a natural hessian tree skirt as standard. Decorative presents to complement the display are also available at an additional cost, allowing you to elevate the festive impact even further.

ECO HARMONY

SUSTAINABLE TREE

Eco Harmony is a beautifully earthy Christmas theme that celebrates both sustainability and natural elegance. Crafted using 60% recycled materials, it blends environmental responsibility with festive charm, offering a greener way to celebrate the season.

Adorned in warm, woody tones and sustainable, handcrafted ornaments, this theme radiates a rustic, cozy atmosphere. Soft, glowing lights highlight the organic textures, casting a gentle, nature-inspired brilliance that feels both calming and inviting.

Designed for eco-conscious celebrations, Eco Harmony transforms any space into a grounded, peaceful Christmas setting, bringing warmth, beauty, and joy while treading lightly on the planet.

These Christmas trees are available in standard heights of **6FT, 7FT, 8FT, 10FT, and 12FT**, with additional sizes available on request (subject to a site survey).

While the colour scheme of each theme is fixed to preserve its signature look, please note that specific tree styles and decorations may vary slightly depending on stock availability.

Every tree comes complete with a natural hessian tree skirt as standard. Decorative presents to complement the display are also available at an additional cost, allowing you to elevate the festive impact even further.

ACCESSORIES

WREATHS

Whether hung on doors, walls, or reception areas, Christmas wreaths add an instant touch of magic and colour to any setting. We can provide wreaths to complement any colour scheme, ensuring they perfectly match your chosen theme.

Our standard wreaths are 2ft wide, but alternative sizes are available on request. Each wreath can also be installed with or without lights, giving you full flexibility to create the perfect festive display.

PRESENTS

We can provide beautifully wrapped decorative presents to complement your chosen tree, adding an extra layer of festive charm to your display. While these are for decorative purposes only and do not contain gifts inside, each present is carefully hand-wrapped, with colours selected to perfectly match the décor of your tree. The result is a truly festive finishing touch that enhances the magic of your Christmas setting.

VASES & BOWLS

If you'd like to add extra sparkle to your Christmas theme, consider enhancing smaller spaces with festive displays. Coffee tables, reception desks, and bar areas can be instantly brought to life with beautifully styled Christmas vases, bowls, and arrangements.

Each piece can be tailored to reflect your chosen theme, with colours and designs carefully matched to create a cohesive festive look throughout your space. These subtle yet striking details ensure that every corner radiates the magic of Christmas.

GARLANDS

Garlands provide the perfect finishing touch to any festive display, adding elegance and charm to reception desks, bannisters, bars, or fireplaces.

Available in all our standard colour schemes, or customised in a bespoke palette of your choice, each garland is crafted to complement your overall Christmas theme. Measuring 9ft in length, they can be supplied with or without lights, giving you the flexibility to create exactly the look you want.

BESPOKE DESIGNS

We can create a bespoke Christmas display that reflects your brand identity, ensuring every detail resonates with your style and values. By tailoring decorations, colours, and themes to your business, we help make your festive environment truly memorable, leaving guests, clients, and employees excited to celebrate the season with you.

We offer a wide range of festive décor to bring your Christmas vision to life, including garlands, wreaths, nutcrackers, handmade ornaments, bespoke wrapping paper for presents, decorative vases, table-top displays, upside-down trees, light sculptures, and much more. Whatever you imagine, just ask, we'll work, with you to create a truly magical and customised festive display.

Our live cut trees are from an arable crop, so are fully sustainable. We also fully recycle the trees once removed from your site. We offer a large variety of lights and decorations to cover any style of tree or decorative piece. We can also dress external trees with just lights to make a feature of them and really bring them to life.

With improved technology, replica trees look stunning and can be reused for up to 10 years. Available in a wide range of colours, styles, and shapes.

PRICE LIST

FESTIVE PRICING

Our premium-grade Nordmann Firs are carefully sourced from local sustainable forests, ensuring both quality and environmental responsibility. After the festive season, every tree is collected and fully recycled, allowing you to enjoy the magic of Christmas with complete peace of mind.
