# Live Cut Trees or Potted, The choice is yours...

Whether internal or external a variety of tree sizes and species can be chosen, if a particular width or shape of tree are required, we can look into options available.

Our live cut trees are from arable crop, so fully sustainable and fully recycled when removed from site.

Following tree sizes available:

- 6ft
- 7ft
- 8ft
- 10ft
- 12ft
- 14ft
- 16ft
- 20ft

Other sizes also available, early confirmation required.

Ultimate solution for the environment – live trees still rooted and growing in pots, so they can be used for the Christmas period and then placed outside again and continue to be healthy and grow, variety of sizes available.

# Testimonials...

Good morning Eloise,  
I would like to share with you a photo of our lovely tree we have in reception. Both Terry and Nick have done a great job decorating it. If I had a real tree I would have hired them to do mine 😊 Added bonus, we got the tree a day early. Please let the guys know that we are very happy with our tree.  
With kind regards, Julie

Hi Caroline,  
I hope you are well.  
Just to let you know my Christmas Tree just arrived and it's really beautiful.  
Thank you one more time and have a lovely rest of your day.  
Kind regards, Izabela

Such a lovely colour scheme and pretty decorations, and as for the vases, I need them at home.  
Fantastic job as always.  
Yvonne

Hi Charlotte,  
(venue name) looks amazing, we are so happy!  
Thanks  
Lissa

Hi Caroline,  
I know, there were a few happy faces in reception early  
Kind regards, Natalie
